

Liveryman Lunch – 12 May 2017

As the name suggests, the Liveryman Lunch is the only function in the Company's events calendar which is exclusively for Liverymen, and the event to which we invite our Honorary Liverymen, to thank them for their continued support of the Company. We were delighted to welcome the following Honorary Liverymen:

The Rt Hon the Lord Mayor, Alderman Dr Andrew Parmley MusM Hon FGS	The Lord Imbert CVO QPM DL
Alderman The Lord Mountevans	Alderman Dame Fiona Woolf DBE
The Lord Carlile of Berriew CBE QC FRSA	The Revd Canon Roger Hall MBE
Alderman Sir Alan Yarrow	

The Master, Wardens, Clerk and Beadle with the Hon Liverymen

Once again the Liveryman Lunch was held in the delightful surroundings of Innholders' Hall, where we were treated to the fantastic culinary expertise of Michelin starred chef, Herbert Berger.

Another special guest was Alderman Charles Bowman, who as the Aldermanic Sheriff 2015-16, worked closely with the Company when selecting the winner of the 2016 Sheriff's Award for Bravery and is a great supporter of the Security Professionals.

The Master Ian Mayes QC presented the Lord Mayor with the Company's traditional gift of a key, a symbol of security; the Lord Mayor was also presented with a cheque for the Lord Mayor's Appeal. To reciprocate, the Lord Mayor presented gifts to the Master and Clerk.

The Master presented a certificate to Liveryman Mike Rousell recognising the generous sponsorship for the event provided by [Gratte Brothers](#) and thanked him for his company's continued support.
