BY UNDERGROUND

Nearest underground station
Tower Hill (1 minutes' walk) –
Circle and District line

We need your help to raise greatly needed funds for our Charities including the Hackney Carriage Drivers Magical Disney tour for children with life threatening illnesses.

The annual Spring Dance is the largest Charity fund raising event in the security sector, raising money for the sick and disadvantaged.

Join us for a fabulous evening starting with a Sparkling wine reception, followed by a 3-course dinner with wines, and full-service bar.

You can follow the silent online auction on your smartphone or using the tablet on the table, and also support the raffle that will be held during the evening. All this, while being serenaded by the soulful sounds from Irie J, and followed by the UK's most exciting tribute experience, the Take That show!

Can you donate items of memorabilia or experiences that are not available to buy? This could be private tours, experiences, corporate dining, or event tickets. We would welcome all donations that we can auction or place in the raffle.

Special thanks go to our evening Sponsors who allow us to stage this great event and raise money for our fantastic causes including the Security Benevolent Fund whose interventions turn life's around for the vulnerable in our society, The Charitable Trust whose projects have immediate impact and the Hackney Carriage Drivers Magical Disney tour for children with life threatening illnesses.
